

NO INJUNCTION SECURED.

SALE OF THE UNION PACIFIC AS ADVERTISED EXTENDED—PROTECTED—A RUMOR DENIED. Omaha, Neb., Oct. 30.—For a time to-day there was great excitement in railroad circles in this city over the report that an injunction had been asked...

Master in Chancery Cornish, who was to sell the road at auction on Monday, nothing prevents, was greatly astonished when the story was told to him. "I have never heard anything about it," he said, "and I don't think there is anything in it."

Although none of the members of the Reorganization Committee were here, several of them, as well as Receivers Doane and Anderson, will be here to-morrow morning. The receiver, Mr. Mink, of Boston, will also be here to-morrow morning.

Chicago, Oct. 30.—Freight rates into and out of Chicago in all directions are at a low condition of the utmost demoralization. As a result of the time in the last few months there have been so badly mixed up as they are to-day...

Washington, Oct. 30.—Attorney-General McKenna said to-day that he had no official information as to the truth of the report that the Sage and Judson would seek to have the sale of the Union Pacific Railroad annulled.
